

## **STUDENT LINE OF CREDIT**

With our Student Line of Credit, you can access your funds quickly and easily, up to the amount of credit you have available. What's more, you can make withdrawals from an ATM whenever and wherever you need cash.

### **Use it for all your education-related expenses**

The Student Line of Credit is easy to use to pay all your tuition, books, computer and living expenses.

### **Are you eligible? And how much?**

The Student Line of Credit is for full-time post-secondary students who are not receiving nor need additional resources or any government assistance for their studies. The amount granted is based on your needs and your level of studies.

- **College-level** (including community colleges and private post-secondary institutions), up to \$3,000 of financing per year
- **University undergraduate level**, up to \$5,500 of financing per year (maximum cumulative amount: \$22,000)
- **University graduate and post-graduate levels**, up to \$6,000 of financing per year (maximum cumulative amount: \$25,000)
- **If you are studying for a profession**, you can obtain additional financing

### **What's in it for you?**

- No payment of principal is required during the period of studies, and only interest on the principal used is payable monthly.
- Take advantage of flexible repayment schedules that start when you find full-time employment (maximum 12 months after you complete your studies).
- The repayment period can extend up to 84 months.
