

UNIVERSITY OF SINT EUSTATIUS
SCHOOL OF MEDICINE

Every student must have a Police Clearance Report in order to establish temporary residence on the island of Sint Eustatius. The letter must be dated within two (2) months of arrival on Sint Eustatius and must cover the last five (5) years (note: if the student has lived in a different locale within that five-year period, then a separate police report will be required from that area) and be printed on official police department letterhead bearing an official seal. The original report must be brought by the student and submitted along with other required immigration documents to our island administration office, with a copy sent to our New York office either by mail or fax.

Below is an example of the general format the letter should follow.
